

CFishersNCHypergeometric  
::moments

main

```
graph RL; main[main] --> CFishersNCHypergeometric[CFishersNCHypergeometric::moments];
```

The diagram illustrates a function call. A box on the right labeled 'main' has a dark blue arrow pointing to a larger box on the left labeled 'CFishersNCHypergeometric::moments'. The 'main' box is white with a black border, while the 'CFishersNCHypergeometric::moments' box is light gray with a black border.
